Student Cardiac Screening (Grades 7 – 12)

Saturday, August 16, 2014
8 a.m. to 3 p.m.
Memorial Hermann IRONMAN Sports Medicine Institute
9305 Pinecroft Drive, Ste. 450
Electrocardiogram Screening: $15
Cash or Personal Check Accepted

An ECG screen (sometimes also referred to as an EKG) can help identify young athletes who are at risk for sudden cardiac death, a condition where death results from an abrupt loss of heart function. An ECG screen may assist in diagnosing several different heart conditions that may contribute to sudden cardiac death.

Screenings performed by Cardiopulmonary Services from Memorial Hermann The Woodlands in conjunction with UT Physicians - Pediatric Cardiology and Memorial Hermann Medical Group Cardiology.

Space is limited; appointments required.
